HARDEN & CO. FURNITURE TALK

We have been very fortunate this season in securing some good things, and we have learned that most people know a good thing when they see it. Just so it was when a gentleman stepped in one day and said he wanted a good Bed Spring, remarking that he had never found one yet that gave satisfaction. We showed him our "Perfection Spring" at \$6.00 and told him if it did not suit him to return it. Here is his letter written after a trial.

Messrs Harden & Co.:
I am well pleased with your Perfection Springs and Mattress. Your spring is one of the best and easiest I ever layed on, I recommend them to every one and show them to my neighbors when they come in.
Yours Sincerely,
GILBERT SINIFT,
Junction City, Ohio
